PLEASE NOTE:

The overall activity level of this tour is a level 3. This means you're an on-the-go traveler. You don't want to miss a thing, so walking and standing for longer periods of time (2-3 hours) isn't a big deal. A moderately paced two-and-a-half-hour walking tour, covering several miles, hills, and uneven surfaces, is no problem for you. Walking four miles over the course of a day is very doable, as is climbing into and out of various modes of transportation (tuk-tuk, cable car, zodiac, etc.). You can climb three flights of stairs easily and handle altitudes between 6,000 and 9,000 feet. Expect some longer days with early mornings or late nights balanced with free time to recharge or set out on your own adventure. The roads in Costa Rica are notoriously poor and impacted by heavy rains each season making them bumpy and requiring lower driving speeds. In order to experience all that we have included on this tour, we will spend an average of 4-5 hours on your coach to travel to your next stay. You can expect winding and some unpaved roads along the way. Many accommodations can be spread out and you should be prepared to walk a variety of terrain to get to public spaces like resort lobbies and restaurants; you may need to access your room through outdoor pathways. This level is not a fit for travelers who require mobility assistance devices.

If you require any special assistance while on tour, please make us aware at time of reservation so the necessary request form can be sent to your attention.

We want you to enjoy your tour with us; therefore, it is important that you know this tour is an adventure! You will view spectacular scenery while experiencing the culture and heritage of the region. We have selected small, comfortable hotels for their locations and they may be considered rustic.

Elevators and air conditioning are not available in all hotels and lodges used during your Costa Rica tour.

Single accommodations are limited and are available on a first-come, first-served basis. Single rate subject to change based on availability.

To complete your tour, we include roundtrip airport-to-hotel transfers when purchasing our airfare with your tour. If you have arranged for your own air, we are pleased to provide you the option of purchasing these transfers. Please note that all transfers will leave at pre-scheduled times.

Our air passengers will depart from Liberia airport. Approximate travel time between Playa Carrillo, Guanacaste and Liberia airport is approximately 2 hours.

For air-inclusive reservations, the name provided at time of booking must match your government-issued ID that will be used during travel. Name changes are subject to penalties.

Please be advised many airlines do not provide advance seat assignments until check-in at the airport. Advance seating will be subject to the airline's terms and conditions.

IDENTIFICATION

Passports are required for this tour at your expense. Certain countries require that your passport be valid at least 6 months beyond the dates of your travel. You are strongly urged to contact the appropriate consulate for details. Visit www.travel.state.gov for the U.S. State Department for the latest details about passports and visa requirements.

Experience It! Monteverde Cloud Forest

Only four places in the world boast an ecosystem so unique that it produces a cloud forest, and Costa Rica is one of them. Situated high on a mountain, the Monteverde Cloud Forest is created by the forest's dry air combining with the humid, hot air of the rainforest. The result is a blanket of clouds that covers the forest, mimicking constant rainfall. This extremely wet environment has bred a diverse world of exotic flora and fauna. One of the cloud forest's most famous residents is the endangered, resplendent quetzal. This colorful bird sports a golden beak and a green-hooded head, tail feathers of gray, black, and white, and a vibrant scarlet breast. Highly elusive, quetzal sightings are rare, but absolutely unforgettable when attained.
